

China and have fun !

### Innovation & Entrepreneurship Global Summer Camp

CLIC Version  
17 June-12 July, 2019

School of Management  
Zhejiang University

Welcome to our 4-week intensive but stimulating summer camp and have an enriching summer in the most entrepreneurial region of China.

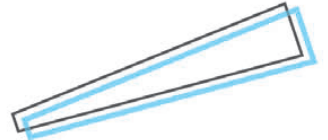

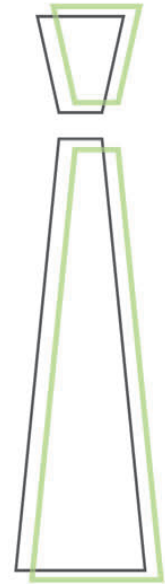

Spend the morning time with ZJU professors to learn about innovation and entrepreneurship and then head into the city to visit tech giants and aspiring startups.

Have fun with your classmates in practicing Chinese language skills, writing Calligraphy, and performing Taiji.

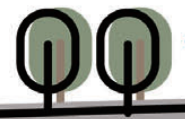

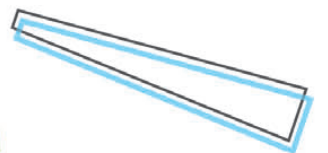

Explore evidence of modern-ancient exchanges in Hangzhou, a city that Marco Polo called "the finest and the most splendid in the world."

Explore entrepreneurial

idea explorer!

## What's in it for me?

### Enhancing academic standing

Through exposure to the knowledge sets covering different facets of entrepreneurship, you will gain an understanding of what innovation and entrepreneurship look like and mean.

### Exploring ideas

Working with peers through facilitated group discussions, you will be tasked with creating a business initiative to fine-tune the ideas you are itching to turn into reality.

### Tasting entrepreneurial China

Immersed in the region's thriving innovation and entrepreneurial atmosphere, you will observe and learn from the business settings via onsite visits and networking events with entrepreneurs.

### Experiencing vibrant Hangzhou life

Take a boat ride on the West Lake, hike through the surrounding tea fields and enjoy marvelous landscapes and vibrant life of Hangzhou, a UNESCO's World Heritage Site and New York Times world's top places to go.
